

Acknowledgement

This Project has been carried out with sincere effort. However, it would not have been possible without the kind support and help of many individuals. A special thanks to **Intel Youth Entrepreneurship Workshop** which was the brainchild behind this idea. We would like to extend our sincere thanks to all of them.

We are highly indebted to **Dr. Kavi Mahesh** for his guidance and constant supervision as well as for providing necessary information regarding the project and also for his support in completing the project. We would also like to thank our HOD **Prof. Nitin V Pujari** for his constant support which let us finish this project.

We also thank the esteemed department of **Computer Science & Engineering** for providing us with the infrastructure to carry out this project. We would like to express our gratitude towards our parents and members of **PES Institute of Technology** for their kind co-operation and encouragement which helped us in completion of this project.

Our sincere thanks to **Mr. Srikanth HR** as in his tutelage we learnt important concepts which were instrumental in completing the project. Our special thanks and appreciations also go to my batch mates for inspiring us and showing faith in us.

Finally, we would like to thank **Mr. Badriprasad**, our project co-ordinator and various panellists for giving us various essential inputs during each evaluation. Also we thank all those who have directly or indirectly helped us in this project and their names might have been inadvertently left out and apologies for the same.
